"Frequently asked questions:

"Does Medicare pay for this type of service?"

Medicare doesn't pay for this type of service. My Care at Home, Home Care Services, LLC., accepts Medicaid and private pay. For free consultation, please call 317-559-4230 and our dedicated staff will be happy to assist you.

"How can we make sure that you are a qualified provider?"

It is illegal to provide this kind of service without a license from the Indiana State Department of Health. My Care at Home, Home Care Services, LLC., is a licensed provider. In addition, the company is also a certified Medicaid provider, and therefore, we are bound to the terms and conditions of the Medicaid provider agreement. To ensure that we provide the best quality care to our clients, we developed our own code of conduct that each staff adheres to. All our staff were also background checked; drug screened; and well-trained. For more information, please visit out website
